Dear Authors,
 Actually, this Indian publisher is predatory and is included in Beal's black list of faking journals. It targets the money of the authors rather than the quality of their work. Therefore, it was removed from the Scopus indexing. With best regards.

P **Pham Cao Thang** 2 years ago

is IJAER in year 2018 indexed by Scopus?

reply

Elena Corera 2 years ago

SCImago Team

Dear Pham CAo, the publication of articles of 2018 is not over yet (we are in September), and much less it has been possible to cite unpublished articles. The 2018 indicators will not be available until June 2019. We can not see what will happen in the future with this journal. SCImago receives the data from Scopus / Elsevier annually and does not have the authority to include, exclude or modify the data provided by Scopus. Best Regards, SCImago Team
