Consent and Release

The undersigned, in consideration for his/her participation in the Journal, hereby grants the RAJournals the unlimited, worldwide, irrevocable permission to use, distribute, publish, license, exhibit, record, digitize, broadcast, reproduce and archive, in any format or medium, whether now known or hereafter developed.

The undersigned hereby grants RA Journals the unlimited, worldwide, irrevocable right to use his/her name, picture, likeness, voice and biographical information as part of the advertisement, distribution and sale of products incorporating the Work, and releases Valley International from any claim based on right of privacy or publicity. The undersigned hereby warrants that the Work and (collectively, the "Materials") are original and that he/she is the author of the Materials. To the extent the Materials incorporate text passages, figures, data or other material from the works of others, the undersigned has obtained any necessary permissions. Where necessary, the undersigned has obtained all third party permissions and consents to grant the license above and has provided copies of such permissions and consents to Valley international.

General Terms

The undersigned represents that he/she has the power and authority to make and execute this assignment. The undersigned agrees to indemnify and hold harmless the RAJournals from any damage or expense that may arise in the event of a breach of any of the warranties set forth above. In the event the above work is not accepted and published by the RAJournals or is withdrawn by the author(s) before acceptance by the Valley International, the foregoing copyright transfer shall become null and void and all materials embodying the Work submitted to the Science Digest will be destroyed. For authenticity, validity and originality of the research paper the author/authors will be totally responsible. For jointly authored Works, all joint authors should sign, or one of the authors should sign as authorized agent for the others.
