TITLE And ABSTRACT

Title	The Narcotics Abuse Term Weaknesses in Criminal Law Enforcement of Indonesia
Abstract	This research is related to the granting of remission and parole rights on the basis of the value of justice in accordance with human rights. This research was conducted to find out about the embodiment of justice in the granting of remissions and parole to convicts. Both criminals and corruption convicts. This research will also review the arrangements regarding the granting of such remissions and also the ideal concepts regarding the granting of such remissions and parole. This research will use empirical normative legal research methods that emphasize philosophical, dogmatic and conceptual sides.
